Outside one can't help but notice the enormous deck equipped with four sliding glass doors & views of Sugarbush, Mad River Glen, and Camel's Hump. Also notice the convenience of two outbuildings - one 20 x 30 steel workshop that could be used as a garage and a 12 x 20 log style studio, perfect for hobbies or storage. Inside awaits a wonderful open floor plan with amenities such as a screened porch and a bath on every floor. There are three bedrooms, including a loft with its own half bath and great views. The finished basement offers two bedrooms, a 3/4 bath, utility room, a large den/office area and a sliding glass door exiting to a beautiful patio under the deck. Great country setting but very close to Burlington and Montpelier.
